

CALIFORNIA HEALTHY PETS ACT 2007 (AB 1634)
HOW YOU CAN HELP – MARCH 27, 2007

How can I help this important bill pass?

1) Attend the Business and Professions Committee Hearing Tuesday, April 10, 2007

AB 1634 California Healthy Pets Act is scheduled to be heard in the **Business and Professions Committee Hearing** on **Tuesday, April 10, 2007** at the **State Capitol, Room 447**.

Please help by attending the hearing. The hearing starts at **9 am** and lasts until approximately **1:30 pm**. *If possible be at the room by 8am to get a seat.* We won't know what time our bill will be heard, we simply show up and wait. We should be done by 1:30, but it could go later. *So get to Sacramento early,* and leave sometime early evening, just to be safe.

Everyone that attends will be able to stand at the microphone, state their name (& group if applicable), where they are from and that they support the bill.

It's *very important* that we fill the hearing room! So please invite everyone who will come and support our bill.

2) Contact, write, call or visit Business and Professions Committee Members

No matter what your district, please write (best) or call Mike Eng:

Assemblyman Mike Eng, Chair, Business and Professions Committee
State Capitol, P.O. Box 942849, Sacramento, CA 94249-0049
(916) 319-2049, Fax (916) 319-2149

When writing to Assemblyman Eng, please forward a copy to:
Assembly Business and Professions Committee
ATTN: Tracy Rhine, Committee Consultant,
1020 N Street, Room 124, Sacramento, CA 94249.
FAX: (916) 319-3306.

This will ensure that your support is included in the official bill analysis.

Also, please contact your representative if you live in one of these districts on the following page.

Thank you for your help in passing this important legislation!
